

Bar Cento Vini is a heaven for wine lovers and for anyone who enjoys celebrating aperitivo culture.

Cento Vini stands for one hundred carefully curated wines and their makers: colourful, playful, close to nature, sometimes unconventional.

A selection of cocktails completes the offering, including classics and house creations that move effortlessly between Italian aperitivo tradition and modern bar culture.

With our Aperitivo Lungo, you can enjoy the aperitivo spirit all day long.

The precisely one hundred items on our menu together form the Glou Glou 100 Index.
